

Mission Statement: "To share the love of God and to guide people into a committed relationship with Jesus Christ."

We Care Corner

To **Myrna Paulino**: God has really given you a heart to reach out to others. Even when you are not feeling your best, you continue to be a great example of your passion to go to the Philippines and help the people learn more about God. You organize others to come with you because of your enthusiasm. You also saw the needs for the "Tweeners" in our congregation and made it happen. We pray God's love and blessings on you and all who go on this mission trip. We appreciate you. - Betty Shamus

Status of Disaster Relief Fund

When Hurricane Katrina struck the Gulf Coast in 2005, the Church established the Worldwide Church of God Katrina Fund to help members recover from this disaster. Congregations and individual members from throughout the world generously responded, donating a total of \$310,563. Approximately \$238,608 has been used as of June 30. Although this particular fund is closed for donations, it will continue to help those in that region as needed until funds are expended. Thank you for your loving example of assistance to those in the region. Following Hurricane Katrina, the Church established the WCG Disaster Relief Fund to stand ready to help members affected by future disasters wherever they may be in the world. To date, \$106,000 has been contributed to this fund. Approximately \$36,000 has been distributed to assist with recovery efforts in the Philippines, Bangladesh, and in the Solomon Islands. This fund remains open for donations and is the primary corporate vehicle to help members affected by future disasters. Thank you for allowing God to share his love through you as we live and share the gospel together. We consider it a privilege to serve beside you in this important calling.
